Information on the basic training course as horse dental practitioner

Dear trainee,

The next basic training will take place from 2nd to 26th January 2012.

All lecturers are qualified as dental practitioners or horse dental practitioner examiners according to IGFP.

The training will start with the basics of theory and anatomy, finally followed by the practical work at skulls and horses.

The course fee is **4,100.00 €** plus 779.00 € VAT (19%).

Working tools, as a complete required kit, containing various tooth rasps, first tooth forceps, dental bucket and speculum is provided at the beginning of the course and can be purchased later.
